

*111 NORTH MAIN is over 4,825 square feet of raw, urban loft space that is perfectly suited for less formal (more fun) weddings / wedding receptions, family reunions, birthdays (25+ years), seasonal office parties, and any other private gathering. Closer to an art gallery than your typical ceremonial space, with it's photogenic exposed 1908 solid brick walls serving as perfect backdrops for your special memories, original 16' high tin ceilings throughout, 15' high energy-efficient dark bronze front aluminum storefront windows and 8' high dual-pane arched windows in the rear (with access to outside party deck area) along with 2 modern restrooms and a caterer's serving area. You truly won't find another unique gem like this in the Saline County area...
